

COUNTRY PAVILIONS

COUNTRY PAVILIONS AT FUTURE MINERALS FORUM

Position your country at the centre of global minerals investment.

A Country Pavilion at Future Minerals Forum gives your government, investment agencies and national industry a dedicated platform to showcase investment opportunities, host strategic meetings and build international partnerships across the minerals value chain.

Agreements announced

US\$26.6bn
Total agreement value

WHY PARTICIPATE?

Showcase national opportunities

Present your investment pipeline, policies, incentives, projects and minerals value chain capabilities.

Create a base for your delegation

Host meetings, briefings, and stakeholder engagement within a branded national environment.

Connect with capital and industry

Engage with mining companies, investors, development finance institutions, OEMs, technology providers, and industrial buyers.

Build international partnerships

Advance bilateral, institutional and commercial discussions with participating governments and strategic partners.

WHAT'S INCLUDED?

- » Branded Country Pavilion
- » Dedicated meeting and hospitality space
- » Delegate passes and networking access
- » Meeting coordination and curated introductions
- » Pre-event and onsite marketing support
- » Bespoke activation opportunities
- » Dedicated speaking block within the FMF program for Country session focusing on national priorities

Deliverables are subject to the agreed pavilion package and participant availability.

Secure your nation's pavilion for 2027.

Pavilion locations are limited and allocated on a first-confirmed basis.
